

oomph::Tree

```
graph BT; BinaryTreeNode[oomph::BinaryTreeNode] --> BinaryTree[oomph::BinaryTree]; BinaryTree --> Tree[oomph::Tree];
```

The diagram illustrates an inheritance hierarchy. At the bottom is a solid rectangular box labeled 'oomph::BinaryTreeNode'. An upward-pointing arrow connects it to a middle solid rectangular box labeled 'oomph::BinaryTree'. Another upward-pointing arrow connects the middle box to a top dashed rectangular box labeled 'oomph::Tree'.
