

Diagram illustrating a relationship between two classes:

- A dashed box at the top contains the text `oomph::Mesh`.
- A solid box at the bottom contains the text `oomph::TriangleScaffoldMesh`.
- A vertical arrow points from the top of the solid box to the bottom of the dashed box, indicating that `oomph::TriangleScaffoldMesh` inherits from or is a specialization of `oomph::Mesh`.

oomph::Mesh

oomph::TriangleScaffoldMesh
