

oomph::Mesh

```
classDiagram
    class oomph_Mesh
    class oomph_TetMeshBase
    class oomph_SimpleCubicTetMesh["oomph::SimpleCubicTetMesh< ELEMENT >"]
    oomph_SimpleCubicTetMesh --|> oomph_TetMeshBase
    oomph_TetMeshBase --|> oomph_Mesh
```

The diagram illustrates a class hierarchy for mesh structures. At the top is the `oomph::Mesh` class, represented by a dashed rectangular box. Below it is the `oomph::TetMeshBase` class, shown as a solid rectangular box. At the bottom is the `oomph::SimpleCubicTetMesh< ELEMENT >` class, also a solid rectangular box. A vertical arrow points from the top of the `oomph::SimpleCubicTetMesh` box to the top of the `oomph::TetMeshBase` box, indicating inheritance. Another vertical arrow points from the top of the `oomph::TetMeshBase` box to the bottom of the `oomph::Mesh` box, indicating inheritance.

oomph::TetMeshBase
